**NORTH PARK COLLEGE
CHICAGO, ILLINOIS
1986
"IN THY LIGHT
SHALL WE SEE LIGHT"**

North Park College 1985-86. Did Faith and Learning Meet? Early in the year, a controversy about the presence of the Holy Spirit helped many to grow and hindered others. The rise in international terrorism turned many to God for help, and struck others with fear. The dedication of the completed Habitat for Humanity project reminded us that individuals count, and that they can make a difference. The lift-off explosion of the Space Shuttle Challenger left us wondering about the limits of technology. The financial retrenchment plan and its side effects caused upheaval at North Park. Many were laid off, President William Hausman resigned, Patrick Lattore was named interim President, fourteen faculty and staff members retired, many more left, and programs and budgets campuswide were tightened. The resulting inner conflict, bitterness, and backbiting made us weary and ready to abandon the fight. The glint of hope we received from seeing the chapel renovated, professors and administrators laying down their arms, and the Old Main restoration project visibly progressing kept us pulling for a brighter future. The nuclear accident at Chernobyl, U.S.S.R. filled us with the helplessness of the nuclear age and the hopelessness of strife between nations. The solidarity of movements such as Live Aid to Ethiopia, Hands Across America to help America's hungry, and the Free South Africa movement working toward an end to discrimination encouraged our hearts. It was a year of excitement, of disaster, of hope, of frustration, of growth, of pain. But . . .

"... In all these things we are more than conquerors through him who loved us. For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord."

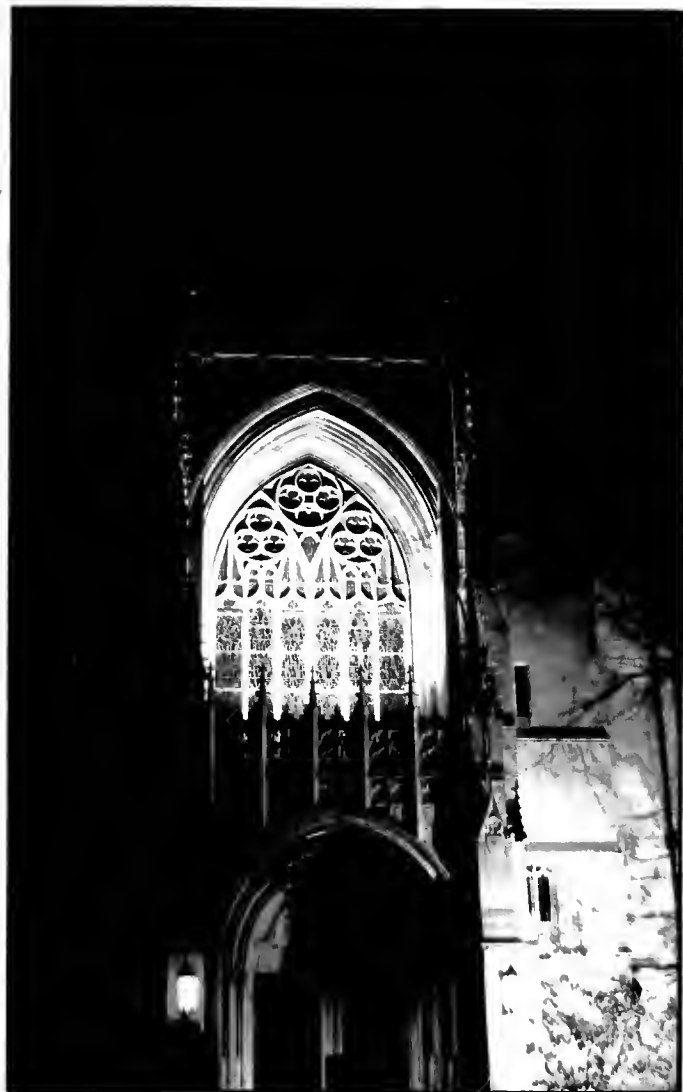

Romans 8:37-39 (NIV)

William R. Hausman

With much appreciation for his friendship to students, his love for North Park, his dedication to hard work, and his concern for the future of this institution, this yearbook is dedicated to former President of North Park: William R. Hausman.

His term was a tough one, one that began in 1980, soon after the decision was made for North Park to remain in an urban setting. During his administration the Campus Master Plan Committee was formed, with the renovation of Old Main slated to be the first major project. Also during Hausman's five years at NPC, the three North Park College Extension Centers were created, the Center for Scandinavian Studies was established, and the funding for the chair in Scandinavian Studies was completed. Thanks for the last five years, Dr. Hausman!

ACTIVITIES

NSO

New Student Orientation is the long weekend just prior to the beginning of the academic year. It is a time when the freshmen, new transfer students, and a staff of wacky upperclassmen keep themselves busy with games, tours, learning names, and the ever-popular talent show. NSO weekend was planned by co-chairmen Pam Dahlstrom, Jennifer Eastman, and Kathy Gustafson.

BIG SIS, LI'L SIS

Every year, many upperclass women adopt freshmen women to be their "li'l sisses." The main functions are to help people meet each other and to develop friendships between the classes. The mixer comes early in the fall, and this year the theme was "It's a Small World." The Big Sis, Li'l Sis program is organized by RWC.

HOMECOMING

Court

Attempts to bring a lighter mood to the election of a king and queen of North Park were successful this year. The idea of a court has never been taken terribly seriously, especially by the men of NPC. As a matter of fact, until recently NPC elected a "beard king" annually. In the past couple of years, the fun has returned with leisure suits two years ago, high tops last year, and the appearance of the famous Myron this year. Much to his surprise, Myron/Byron Bruckner was elected king, with Lynn Chelgren as queen. The entire court is pictured below.

HOMECOMING

Game

The hard hours of practice came through for the Vikings at the most well attended game of the season. It was the football team's turn to rejoice, give high-fives, and to go home feeling proud. North Park beat Illinois Wesleyan 25-21 in the most exciting game they played all season.

HOMECOMING

Dance

Homecoming this year was built on the theme: "There's No Place Like Home." Homecoming chairman Pam Prill planned the weekend which held both alumni and parents' activities. It was the 25th reunion of the first class to be awarded four-year degrees at North Park. Activities included soccer and football games, homecoming chapel, and an hors d'oeuvre buffet and dance.

HOMECOMING

The Wizard Of Oz

The audiences came out for yet another Parker production, as Tim presented "The Wizard of Oz." The choreography of Julie Hedges, the musical direction of Linda Tybik, a sparse balloon and cardboard set, modern costumes, and a street gang instead of flying monkeys all worked well with the four strong freshmen leads.

HALLOWEEN

Halloween is always done right at North Park. RMA sponsored the movie "Psycho" and the Halloween dance. At the dance, many strange costumes showed up, and as usual prizes were awarded. Mary Westburg won the most original costume category for ingeniously disguising herself as Mary Westburg.

FORUM

South Africa

To heighten student awareness of the situation in South Africa, the Student Academic Affairs Committee of NPC arranged a series of three forums on Apartheid. The Economic issues were discussed by William Grutzmacher, Industrial consultant and political conservative, and Timothy Wright, Attorney and member of the Coalition for Illinois Divestment from South Africa. The Political issues were discussed by Johann Grobler, South African Consulate in Chicago, and Dr. Conrad Worrill, Chairman of the United Black Front. The Moral/Ethical issues were discussed by Rev. LaVerne Butler, Pastor and Moral Majority spokesperson, and Dr. Franklin Sherman, Dean of the Lutheran School of Theology in Chicago.

FALL PLAY

Hedda Gabler

Hedda Gabler, by Henrik Ibsen, is a classic. Under the direction of Professor Raymond Jarvi, this show swept the Craig awards in both dramatic and technical aspects. With the influence of Eric Hillabrant, Steve Gordon, Steve Meysing, Tim Parker, and Jim Anderson, the show was a technical victory.

STUDY ABROAD

Fall And Winter

Germany

North Park sponsors a fall term study program at the Goethe-Institut in Murnau, West Germany. Classes are taught during the week in German, and weekends are free for travel. The participants this year were: Anna-Marie Bunev, Karl Stephan, Vanessa Meria, Ralph Mollenhauer, Melissa Ediger, Greg Rounseville, and Prof. Herbert Pankratz.

Sweden

North Park has for many years had a six-month study program at Sodra Vatterbygdens Folkhogskola in Jonkoping, Sweden. North Parkers study Swedish language and culture, and travel to Greece and the U.S.S.R. This year's participants include: Tim Cramer, Jon Sparrman, Paul Johnson, Jill Thompson, Karen Anderson, Betsy Youngquist, Jan Nelson, and Blake Magnuson.

Mexico

North Park also sponsors an eight-week study program in Morelia, Mexico. Students study language and culture, as well as work in the community at the local hospital, radio station and farms. The participants this year were: Steve W. Peterson, Dianne Dwornick, Rob Haley, Charlie Johnson, Kevin Hendricksen, Darren McKellin, April Olsen, Brenda Brueckmann, Scott Seagren, Karey Buchan, Becky Cravens, Cherie Meacham, Jennifer Nyquist, and Diana Zavala.

2ND CITY

When 2nd City performs, people listen. In its second year, the on-campus performance of 2nd City again proved to be a very popular event. 2nd City is a group of professional actors that perform skits, comic acts, and improvisational pieces. For years, their Wells Avenue performance hall has been a North Park hangout. The NPC Special Events committee, with Jim Nelson as chairman, arranged the on-campus performance.

CHRISTMAS CONCERT

Queen Of All Saints Basilica

For many years the North Park College choir, orchestra, and chamber singers have performed a Christmas concert at the Queen of All Saints Basilica. The concert is attended by both North Park affiliates and the Basilica's parishioners. The service has a lessons and carols format, beginning with a processional to "Once in Royal David's City."

LUCIA FESTIVAL

In keeping with tradition, the Swedish Lucia festival was well attended by both campus and community. There were scriptures, songs, and speeches in both Swedish and English. Candy was distributed, the white-robed choir processed by candlelight, and of course much coffee was consumed.

CAROLING

Popular at North Park for at least a decade, Christmas caroling downtown is one of the biggest events organized by the social events committee of the Senate. About 200 students squeezed into the "green limousine," (el train), and headed for Watertower, the Art Institute, and the Tribune Tower. This year it was organized by Tom LaPaze and Heather Peterson, with the singing led by Tim Horner.

I.M. CHAMPS

Intramural sports at North Park are a great diversion from being a student and a spectator. There are four intramural sports tournaments: football and co-ed volleyball organized by coach Bill Hunstock, and both men's and women's basketball organized by coach Larry Swanson. Three of the winning teams are pictured below. The women's basketball tournament ended in a tie between "Rainbow Mix" and "In Praise of Older Women."

TARRING & FEATHERING

It has long been the tradition at NPC for an engaged man's friends to tie him to the pole and cover him with a gross assortment of food and other unidentifiable substances. The girl then responds to her name and unties the guy to unleash his revenge on his friends. As a married friend said to his buddy: "hang in there, it's worth it!"

WINTER OLYMPICS

In its second year at NPC, the Winter Olympic games were co-sponsored by RMA and RWC. This year 14 teams participated. Events included egg relays and tug-o-war in the snow, a sundae eating contest, four-man foosball, a scavenger hunt, snow sculpture, glove volleyball, and an air band competition. The champions are pictured to the right.

WRESTLING

In the dull months of winter, RMA livened things up with the premiere "Wrestle Mania" evening of "world federation wrestling." There were eight matches including tag teams, women's matches, a battle between coaches, and a match between Aaron and "the chair." With Craig Stewart in a tux as ring announcer and a full-size wrestling ring, authenticity was the goal. Perhaps a new tradition has been started . . .

Down Came The Rain

Written by Burr Clark and directed by Tim Parker, "Down Came the Rain," featuring just two actors, attempted to make the audience think about fairness. "Rockaby" was written by Samuel Beckett, and was chosen and directed by Eric Hillabrant in honor of Mr. Beckett's 80th birthday. A one-woman show, this haunting monologue contains the recollections of a disturbed old woman.

S.A. CONVENTION

The Student Association convention, a spoof on national political conventions, assumes the serious function of deciding on two tickets to be on the ballot for President and Vice President of the Senate for the upcoming year.

AWARDS

Seniors Par Excellence

This award is given to one female and one male resident senior each year. The honorees are chosen by the Dean of Students and the Dean of Women for academic excellence and involvement in diverse activities at the school. This year's honorees were Sharon Youngberg and Scott Love.

Athletic Awards

The GTE company awarded three North Parkers academic/athletic awards. Jeff Anderson, football tight end, was awarded to first-team GTE Academic All-District honors. Jennifer Kliphardt, volleyball player, was given GTE honorable mention. Scott Love, football wide receiver, was named first-team GTE Academic All-American.

Outstanding Seniors

The award of Outstanding Senior is usually given to one senior by the Alumni Association. This year there was a tie between John Nordwall and Julie Ross. They were chosen for academic excellence and other talents which they displayed while at North Park.

TRIVIAL PURSUIT

The Trivial Pursuit tournament, organized by the social events committee, was one of the more novel events on campus this year. Fifteen teams participated, including faculty, staff, students, and alumni. The final round was played on a giant game board, using team members as the pieces. Heather Peterson was Named Trivial Pursuit queen.

EXCHANGE PROGRAM

Spring

Every spring, an exchange takes place. North Parkers go to Sodra Vatterbygdens Folkhogskola in Jonkoping, Sweden to study Swedish language, culture, and music, along with international issues and Russian history. A trip to the U.S.S.R. is included. This year's participants are pictured to the right. In exchange, Swedes from SVF come to North Park. They came on two separate lines of study this spring. Some had media internships in the city, and others studied English composition, sociology, and economics. All got themselves involved in the campus and immersed in the city. The Swedes are pictured below.

DEDICATION

North Park's office of Urban Outreach assists in projects of Habitat for Humanity. This spring, the house owned by Ann Harper was dedicated. It will provide housing for ten people. North Parkers had been working since January. They installed new bathrooms, repaired walls, refurbished the kitchen, recarpeted, and laid new linoleum. Most of the materials and labor were donated. Former President of the United States Jimmy Carter, who is on the Board of Directors of Habitat for Humanity, was present for the ceremony. Each family to live in the home was presented with a Bible.

ORCHESTRA HALL

In David Thorburn's 20th year as choir director at North Park, a special twist was added to the annual spring concert at Orchestra Hall. Choir alumni from the past twenty years were invited back to sing in the 40th year of NPC's Orchestra Hall benefit concerts. Some of the alumni soloists are pictured below. The event was organized by the North Park Arts Guild with Sharon Rich Peterson as coordinator.

The program included Bach's "Magnificat," traditional hymns, Grieg's "Peer Gynt Suite #1," featuring conductor Thomas Wilkins and the North Park college and alumni orchestra, and selections from Bizet's opera "Carmen." Soloists in the Magnificat included: John Nordwall, Julie Ross, Edward Trimarco, Tim Bergman, Julie Westerdahl, Carolyn Levander, Lyssa Magnuson, Lynette Johnson, and Diana Clapper.

RWC BRUNCH

The resident women get together every spring for a time of reminiscing, eating, and entertainment. Four seniors, (pictured below), provided the entertainment by singing some not-so-serious songs. RWC President Lynn Chelgren honored Joey Eckberg, (right), for seven years in the position of resident counselor of Anderson Hall. As usual, this year had its share of tears as Pam Prill, Tammy Florence, Missy Berg, and Karen Boring spoke of the fun and the growth of the past four years.

SPRING EVENT

North Park Celebrates Music

Music . . . a symbol of our times. The theme of Spring Event explains the activities in a nutshell. Chairman Tim Parker planned Spring Event to celebrate music from the 1940's to the present. On-campus groups from Chamber Singers to Gospel Teams performed. Most meals during the weekend were set to music of one era or another. Even though the 50's dance had to be moved indoors due to adverse seminary conditions, it was the "main event." (with Howie "Chevy" Beck as D.J.).

SPRING EVENT

The Crystal Palace

Making a 1940's nightclub out of half of the North Park Gym? It wasn't quite a Crystal Palace, but it was an evening for which people dressed up, picked up their dates, and attended a catered dinner, reception, and 40's show featuring some of North Park's wealth of vocal talent.

SPRING EVENT

Juggular

The social events committee helped to bring Juggular to the North Park Campus. Juggular is a Jazz-Fusion band with some unusual gimmicks. Four of the band members are jugglers. They juggle to the music! Though Juggular already had many North Park fans, they made many more by giving a great concert on the hump.

SPRING PLAY

Tartuffe

The spring play was Moliere's "Tartuffe." Doy Athnos brought new life to the stage by doing this 17th century French comedy. The play was well received and its subtle comments about true piety spoke to the audience.

MIDNIGHT BREAKFAST

Midnight breakfast provides a break from studying for spring term finals. Administrators, faculty and staff members come to serve students a complete breakfast in the midst of an all-nighter. This year, as always, it was well attended, though a tar & feathering near the end cleared the hall. Midnight breakfast was organized by Kathy Christensen, administrative assistant to the V.P. of Administration and Finance.

SPORTS

FOOTBALL

The 1985 North Park College Football season left NPC with a 2-7 record; a very hard fought 2-7 record. The season was definitely highlighted by the Homecoming game against ILL. Wesleyan. With less than 2 minutes left, North Park put on a spectacular drive which was capped off with "the catch of the century" by Scott Love. This catch gave NPC the win with a final score of 25-21.

Four seniors from the team received All-Conference honors. Scott Love was named first team All-Conference wide receiver, and was also voted MVP by his teammates. Dave Bridges was honored twice. He was voted to the first team as the "kickoff return specialist" and was voted to the 2nd team as a running back. J.J. Johnston was voted to the 2nd team and Mark Nelson was voted honorable mention.

VOLLEYBALL

The 1985 women's volleyball team had a disappointing win-loss record; however, this record does not reflect the skill level of the players. The team played in the competitive C.M.C. league which includes Elmhurst, a recent National Champion. Many of North Park's losses were by 2 or 3 points. A few of the highlights of the season were defeating Carroll on their home court and playing well as a team at the Carthage Invitational. At the I.I.T. invitational senior Holly Andersen was named to the All Tournament Team. Junior Jennifer Kliphardt received honorable mention on the G.T.E. Academic All American Women's Volleyball Team. For the season, teammates voted senior Beth Parker most valuable player and freshman Kerri Anderson most improved player. Although the team is losing some strong players, it is looking forward to a more successful season next year. This was the final year for the C.M.C. as the team will be competing in the CCIW, as the league expands.

SOCCER

The North Park Men's Soccer Team finished the '85 season with a 9-10-2 record. Led by Sophomore leading scorer Brent Gustafson, the Vikings started out the first half of the season with a 6-3-1 record. With an overtime win at Aurora and a home win against a tough Lake Forest team the Vikings prepared for the tough conference schedule.

The senior dominated team worked hard but only ended 5th in the conference behind 2 Division I teams, a Division II team and Division III Rival Wheaton.

At the end of the year Senior Captain Luke Ohrn was voted MVP, Luke was also selected to the All-conference team along with Senior Todd Slechta. Senior David Sladkey received the coaches award for his 4 years of hard work and dedication. The captains for next year will be Bernie Rosauer, Kevin Lukwinski and Brent Gustafson.

MEN'S CROSS COUNTRY

This year marked a new era in North Park Cross Country. Larry Swanson, who was a three time All American at North Park and still runs many races, took over the coaching this year. The young thin-clads worked hard in invitational meets with schools of comparable size and teams of similar talent. In this competitive environment the Vikings excelled.

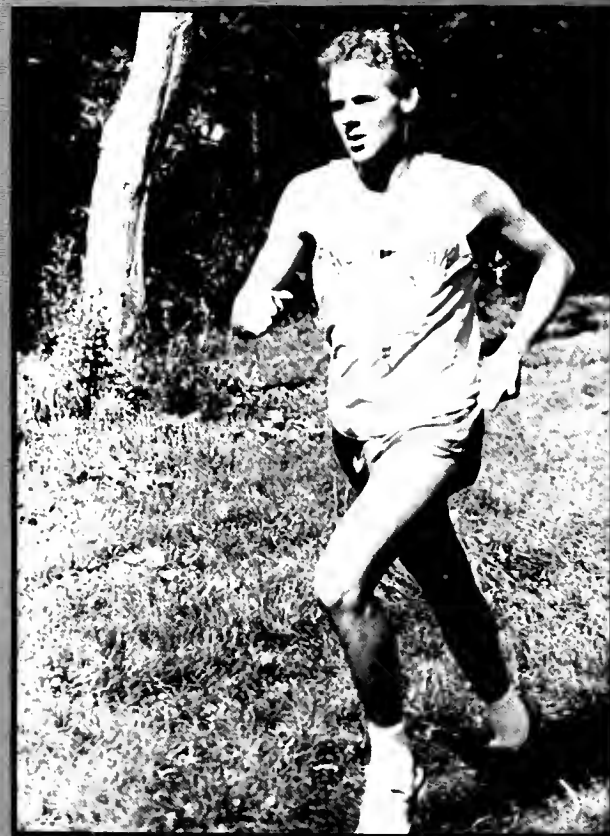

The highlights of the season are as follows: Dan Dietrich took 8th in the State Meet, 3rd at Aurora and 3rd at Judson. In addition he was part of the All State Team and was voted MVP by his teammates. Victor Cooper took 5th at Schellong and 7th at Aurora. Todd Anderson took 8th at Schellong and 23rd at the State Meet. Jim Harding took 7th at Oakton and 8th at St. Xavier, and Mark Damrose took 28th at the State Meet.

WOMEN'S CROSS COUNTRY

The Women's Cross-Country Team made a cameo appearance at the Schellong Invitational at River Park. Wendy Hammond, Ann Zwanzig, Stacy Cornelissen, Janice Swanson, and Ann Stahl placed 3rd, 5th, 8th, 9th, and 1st respectively, to take home the first place trophy.

The team suffered from decreasing numbers throughout the season as illness and internships claimed most of the team. Ann Stahl placed in both the Small School State Meet and the C.M.C. Conference Meet. She was All State and All Conference and was Voted MVP by her teammates.

SWIMMING

The 1986 swim team coached by Dean David Strang, was small with only 6 members, however, the members made some important advances both personally and for the school. Captain Lida Bond, who was working towards a national qualification time in the 100 yard backstroke, broke 5 North Park records: the 50 yard back, the 100 yard back, the 200 back, the 100 free, and the 200 IM. With the addition of these 5 records to others she has broken in her 5 years at North Park, Lida now holds 15 school records. Other team members, Val Lofgren, Mary Wendorf, Sue Nilson, Judy Fredrickson and Twyla Thornbloom, also worked hard and broke personal records. Although the team didn't technically win any meets they worked together and had a great and enjoyable season.

The Women's Tennis Team finished the season with an impressive 8-4 record. For the past three years, Coach Mary Mattson has been upgrading the team's performance with expert guidance (not to mention great food). At the Chicago Metro Conference finals, all of our players placed either second or third. Overall, the Vikings placed third at Conference.

Number 1 singles player Pam Zimmerman finished with a 4-1 conference record. Donna Abbott and Laura Matson had the #2 and #3 slots. Freshmen Lisa Lundin and Kendra Holt showed promise in doubles competition by making it to the finals at conference.

MEN'S BASKETBALL

Once again the North Park Vikings Basketball Team had an exciting season. What was considered from the start to be a rebuilding year developed into much more. The team started playing on Nov. 27 with a non-conference game against St. Francis but their home opener was on Dec. 5 against Carthage. The Vikings opened with a win! The Vikings continued to show their will to win as they went ahead to win the 2 Christmas Tournaments. The team was ranked 16th in the NCAA Division III Poll during the week of January 7th and moved up to 12th the week of the 28th. The season continued to be exciting as the Vikings beat 1st place ILL. Wesleyan, and long time rival Wheaton. The Vikings ended the season with a 21-5 record and the opportunity to play in the regional tournament against Ripon College. However, the Vikings lost with a score of 68-65. All that was left was to play a consolation game versus Wisconsin-Whitewater, but they lost again 88-73. Coached by Bosko Djurickovic, the Vikings ended the season with a 21-7 record and a great year for everyone involved!

WOMEN'S BASKETBALL

The Women's Basketball Team was coached by NPC alumni Becky Djurickovic. Although the team fluctuated in the win-loss column, they did chalk up some exciting victories giving Djurickovic a 12-13 record.

Highlights include the road trip to Rock Island where the Lady Vikings cut down their Augie opponents by a slim 3 point margin. The Vikings also defeated the #1 Carroll Team on the home court, replacing looks of cockiness with looks of disbelief. This win knocked Carroll out of the CMC tournament.

Lenore Johnson was given All Conference Honorable Mention and Most Valuable Player while Susan Swanson received Most Improved Player.

They followed up the next day with an impressive 6-3 victory over Milliken. The Vikings only lost three more meets that season. The Vikings finished up their season with an impressive 12-4 overall record. Four of those wins were 9-0 victories. TRACK

Men's Track

First year coach Larry Swanson and his mostly rookie team enjoyed an excellent season marked with numerous personal bests and school records.

The indoor season set new school records by Victor Cooper (1000 meters), Jim Harding (1500), Dan Dietrich (3000), and John Gustafson (500). The team was 5-5 in dual meets.

The team finished twelfth at the Chicagoland Championships, but the highlight of the indoor season was the near school record breaking performance by the mile relay team of Cooper, Gustafson, Hank DeLisle, and Rodney Johnson at the Bally Meet at the Rosemont Horizon.

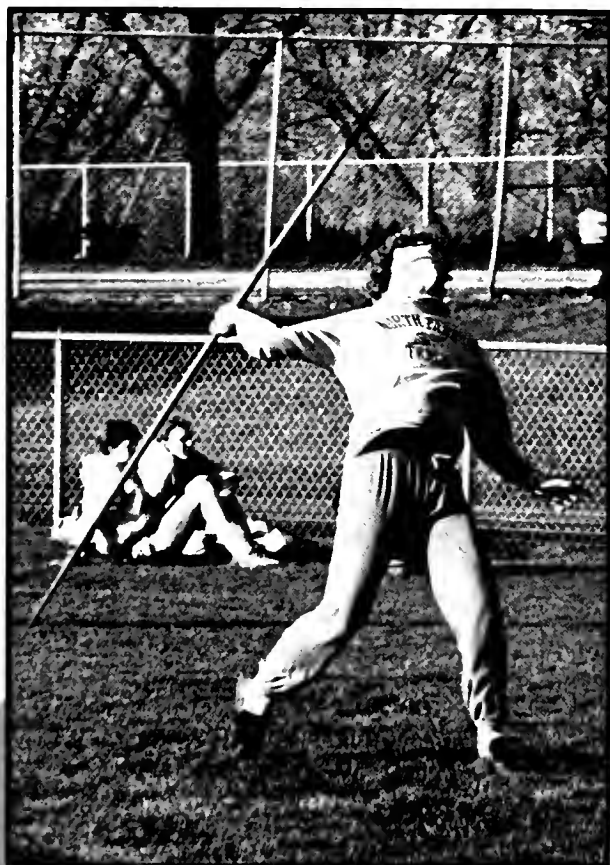

The record-breaking season continued as the cindermen moved outdoors in March. The Vikings finished third at the Olivet Invitational as Ray Navarro scored in seven events. Two school marks fell at the Monmouth Relays as Navarro, Gustafson, Cooper, and DeLisle ran 3:45.7 for the Sprint Medley, and Paul Jorgenson replaced Navarro for a 10:43.4 record in the Distance Medley.

The season's finale at the CCIW meet was capped by yet another school record in the final event as both relays scored and the Mile Relay team of Cooper, Jorgenson, DeLisle, and Gustafson eclipsed the school standard in 3:26.4.

Victor Cooper was the only individual who scored at the league meet running 1:55.1 for fifth in the 800 meters. He was also the team's high scorer and voted MVP by his teammates.

TRACK

Women's Track

Rookie coach Larry Swanson had no returning lettermen, but took his nine-woman team and tore up the school record book.

Nineteen times school marks were eclipsed as the Vikettes recorded a 6-4 dual meet season indoors. The tiny band of talented ladies also finished 6th at the Chicagoland Championships.

The outdoor season opened with the women winning their first invitational in school history as the Vikes scored 94 points at Olivet to outdistance the field. The record-breaking season saw twenty marks tumble before the year was over.

Frosh Kathy Beier, Ann Stahl, and Janice Swanson teamed with rookie Ann Zwanzig to obliterate the school records in the 800 and 1600 relays. Another rookie, Anita Ricker, replaced Swanson on the record topper Distance Medley.

Three freshmen were responsible for all the individual marks set. Ann Stahl broke the school standards in the 400 and 800. Erika Severson set the marks in the Shot and Discus. Multitalented Janice Swanson established the records in the triple jump, javelin, and heptathlon.

Swanson was the team's high scorer with another school record of 75 points. She scored in four events at the league meet, the long jump, triple jump, javelin, and 400 hurdles. Janice was voted the team MVP by her teammates.

BASEBALL

The 1986 Baseball Team, coached by Bosko Djurickovic, started out their season by going to an eight day training camp in Jackson, Mississippi. While in Jackson, the Vikings played 9 other teams who are members of the College Conference of Illinois and Wisconsin. Members of the team had an exciting season by breaking school records and getting honors. Steve Zetterlund, sophomore, tied the school single-season homerun record by hitting 2 homeruns in a single game. Steve did this not once, but twice during the season. Pete Zajac junior and pitcher, led the CCIW with 5 wins. Zetterlund and Zajac were also both named to the first team All-Conference Squad. The Vikings finished the season with a 9-7 record in the CCIW North Division missing the Conference playoffs by a single game. Once again the Vikings had a winning season.

The Student Association Senate is responsible for representing the student body before the Board of Directors, administration, and faculty. The President, Vice President, and four senators from each class are elected by the entire student body. Numerous other positions are filled on appointment by the Senators.

The Senate has a significant role in the campus social, academic, and religious life. It strives to represent student interests and concerns while improving the quality of life on campus.

RWC

Resident Women's Council is the brains behind the campus activities for resident women. RWC matches big and little sisses, and it offers prizes for the most original date during both Roommate's Revenge weekend and Turnabout weekend. This year RWC cosponsored the 1986 NPC Winter Olympics with RMA. RWC is also responsible for two classic North Park events: The Senior Par Excellence Valentine's banquet, and the Resident Women's Spring Brunch. Officers for RWC are elected in the spring.

RMA

The Resident Men's Association pulled its resources together and created some fun-filled and exciting events for the 1985-86 student body. RMA made Halloween even scarier with a Psycho night and Halloween dance. RMA created a new extraordinary event at North Park: World Federation Wrestling. Wrestlers from all over participated under names such as the Mad Serb, Crazy Dog, and Nicoli Volicoff. RMA and RWC sponsored the second annual Winter Olympics, which was a great success. These events reflected a concern by the RMA for campus morale and for good clean fun.

Orchestra

Orchestra rehearsals, not to mention concerts, are always a special time where fun, learning and faith are combined. Thomas Wilkins has been a great conductor, and has challenged us to play our best. Last fall, the Jugendkammer orchestra of Stuttgart, Germany played for us and with us, bringing us inspiration. Our annual Queen of All Saints Basilica concert again added a special flavor to Christmas. Finally, our benefit concert at Orchestra Hall with the alumni choir and orchestra was a grand success.

The Percussion Ensemble was formed three years ago by Jake Jerger, the percussion instructor at North Park. This year, the ensemble consisted of: Mark Gusek, Brian Kabat, Joe Klinger, Steve Martino, Ted Onley, and Chris Schaecher. The ensemble plays many different instruments from timpani to xylophone. The styles of music range from classical to Michael Jackson.

Chamber Singers

Chamber Singers is a small group which performs music ranging from the High Renaissance and Baroque period to the Twentieth century. With this wide variety of music, a typical Chamber Singers' concert has something for everyone.

This year the group performed over twenty concerts. Besides the annual Christmas concerts and the traditional concerts in Isaacson chapel, we traveled to Michigan and then to Florida for Spring Break. The Florida tour, including Disney World, the beaches, and lots of singing, was definitely the high point of the year. It gave us a chance to achieve a sense of unity, closeness, and musical expertise.

Choir

1985-86 was a year of celebration for the college choir. We celebrated the past by reuniting old friends for the alumni choir and orchestra concert at Orchestra Hall. The strains of familiar music, and the sight of the NPC choir greats was truly inspiring. We celebrated the present by honoring our beloved director, D.T., in his twentieth year at NPC. His example of striving for perfection constantly relights the fire of commitment in his choristers. We celebrated the future by adding an extra Christmas concert and a Lenten concert to the Queen of All Saints Basilica tradition. Above all, the choir was encouraged by experiencing a building year with the addition of many new and talented choristers. Let the celebration continue!

STT

Sigma Theta Tau is the national chapter for honoring nursing students. NPC's honor society is currently seeking membership to STT, and hopes to attain it by 1987. This is the third year for North Park's Nursing Honor Society and our membership currently stands at 130 including faculty, students, and graduates. This year, Nursing Honor Society held two events. First was a Research Meeting, with guest speakers presenting their research studies. The big event was the induction ceremony. Eight new members were added, and Julie Cannon gave an excellent speech which encouraged us to strive to be the best we can be.

This year, our initiation dinner was highlighted by Robert Tofte's presentation of desert ecology. We hosted a presentation on missionary medicine in Sudan given by Dr. Van Renken. Tri-Beta also held grudge matches in football and softball against the physics club. Finally, we had an evening of volleyball and A.T. Johnson's infamous three-alarm chili.

This year the club made two trips to Argonne National Labs, one trip to the Chicago Planetarium, and has played numerous games of Heisenberg Uncertainty Football!

Habitat

Habitat for Humanity/Urban Outreach has been a part of North Park College for two years. This program appeals to our need to serve the city in which we live. In the 1985-86 academic year, students and community volunteers rehabilitated a three-flat in Uptown — an area noted for its ethnic diversity. Along with hammering nails and hanging drywall, a number of students volunteered time doing office work and public relations. To the 50 plus students involved this year, Habitat has been a rewarding program challenging faith, values, and lifestyles.

BSA

One of the duties of the Black Student Association is to present programs that promote black awareness. The BSA presented a memorial service in honor of Dr. Martin Luther King, Jr. The service was entitled "I Have a Dream," after King's most memorable speech. February was Black Expressions Month. The movie "Ragtime" was featured, Rev. Don Davenport preached in chapel, and many student talents were displayed in the grand finale "Talent Nite."

German Club

The German Club, reborn only one year ago, has become an active part of North Park. During the fall term the club sponsored a film series and gave a reception after the concert of the visiting Youth Chamber Orchestra from Stuttgart, Germany. Winter term saw the first Austrian Day at NPC, with featured speaker Egon Weiner, sculptor of the "Learn of Me" statue at Carlson Tower. In December we held a German Advent celebration. Spring term found club members creating their own language enclave in the city in order to take advantage of cultural opportunities.

The Men's Volleyball team is a group of college men interested in playing competitive intercollegiate volleyball. NPC plays in the Midwest Intercollegiate Club Volleyball Association (MICVA). It is composed of schools which do not support varsity teams. There are 18 teams in all. Our team did well this season finishing fourth in the regular season, and winning one tournament, (a North Park first), and finishing second in two others. The team had a disappointing finish in the League Championship Tournament. Overall, it was a good year.

Football Cheerleaders

The cheerleaders this year had fun supporting the Vikings for two seasons. They cheered at home games and some away games during both football and basketball seasons. The football squad which was led by co-captains Doris Moy and Becky Queen, consisted of thirteen girls and four guys. (Way to go, guys!) The basketball squad, again led by Doris Moy, consisted of six girls. Mary Mattson was the sponsor of both squads.

Pom Pons

We began believing we could pull the reputation of the pom pon squad out of the comedy gallery. The groans over pulled muscles were drowned out by "Do it again! Straighter arms! Higher kicks! Point your toes!" Gradually, the arms got straighter and kicks got higher. Instead of "Ouch and Ahhk" we began mumbling, "I like it, it looks good."

The student body seemed pleasantly surprised with the routines. It appeared that we had achieved our goal. However, we gained much more than that — aching muscles, friendship and most importantly a gym credit!

CYCLE

Creative Youth Community Learning Experience is a non-profit service organization. Based in the Cabrini-Green housing project, the program has many aims. It is designed to improve educational opportunities, provide a positive group alternative to gangs, assist in determining vocational goals and job placement, and present the message of Jesus Christ and His love to the youth of the housing project.

Each week, volunteer tutors spend one hour tutoring, (equivalent to about one week of classes in the local public schools), and one hour in "club"—a camp-style time of singing, fellowship, and Biblical instruction.

PACE

Programmed Activities for Correctional Education is a program in which students have the opportunity to provide volunteer services in the Chicago area. It involves tutoring inmates at Cook County Jail on the near South side of Chicago. North Park students, among other volunteers, tutor for one two-hour session each week. We tutor basic skills such as reading, writing, math, history and science.

InterVarsity is a nation-wide interdenominational student group whose purpose is to proclaim Christ on the college campus. This year, through Bible studies, personal counseling, and group activities, we sought to help young Christians become better disciples, teach a lifestyle of evangelism, and stimulate world missions. The group helped to promote spirituality on the campus, including helping to bring the InterVarsity presentation of "Habakkuk" to the campus for Festival of Faith week.

Campus Mission Fellowship consists of past short-term missionaries, future missionaries, missionary kids, and those with a heart for missions. CMF keeps in touch with the mission field through prayer meetings, discussions and lectures. In the fall, CMF sponsors a chapel where short-termers share their experiences. With spring comes the ever-popular auction to support short-term missionaries. CMF is a way of keeping in touch with the world, and helping to make a difference.

Gospel Teams

Originally formed several decades ago, gospel teams are still a vital part of the North Park experience. In fact, in the past several years they have proven to be the biggest single factor in drawing students to the school. Sponsored by the Campus Missions Fellowship, the teams reach out and minister to churches, schools, and hospitals with music, drama and testimony. Annually, a team is chosen to spend a large part of the summer touring various regions of the country, visiting churches but centering its schedule around Covenant Camps. Team members are chosen on vocal quality, sight reading ability and spiritual commitment.

Ministry Teams

People who have experienced it might go so far as to say it was the most rewarding experience of their college career. Quite simply, active service for Christ on a Ministry Team pays off. Each year several music-oriented teams hit the open road on weekends to serve Covenant churches across the Midwest. Their objective: to tell the gospel message in a contemporary way and to raise funds for Campus Missions Fellowship.

The secret is in the giving. The new places and smiling faces consistently bring satisfaction to all involved. In short, serving God on a Ministry Team brings in results.
